
Memo:

1/3/2013

I, Josh Rollinger am a third generation sealant, waterproofing, masonry restoration professional. I was born and raised in Sioux Falls, SD where I learned the trade. To date I have 23 years experience in this industry. I have certificates from well known manufacturers acknowledging that I am a professional sealant applicator.

I have worked with multiple manufacturer representatives and companies around the US and Canada. I attend frequent meetings, seminars to keep up to date with the latest and best materials from multiple companies around the world, and am proud to be a professional applicator.

I strive on providing the best materials and best installation practices to keep up with the technologies of today's products.

On average I install approximately 200,000 lf of sealant per year.

The following are just some of the projects that have been completed by Rollinger Companies.
